No. HPPCL/P&A/AE (Estate)/Hiring of Himfed Bhawan/2016 9267-68 Dated:- 03/08/2016

To

The Section Officer,
Prime Minister Office,
New Delhi

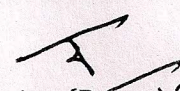

**Subject: - Petition of HPPCL employees below old MLA Quarters, Bye Pass Raod,
Panjri, Near ISBT, Shimla.**

Sir,

Kindly refer to letter No. MPP-BC (15)-3/2014 -Loose, Go HP Deptt of MPP & Power dated 05-07-2016 received from Addl. Chief Secretary (Power) to the GoHP, with the endorsement to your office. In this reference it is submitted that this office has given a due consideration to the employees petition and management is itself aware of the all facts incorporated in the said petition. The management appreciates the concern shown by the employees of HPPCL in the well being of the organization, however, it is imperative to point out the compelling circumstances which has led in arriving at the decision for vacating Himfed Building, being occupied by Corporate Office presently. Firstly, the land lord of this building i.e. H.P. Coop. Marketing & Consumer Federation, Shimla-3 (HIMFED) has issued the notice for the eviction of the building (copy enclosed). Secondly, as per the present set up, HPPCL has its offices located at three different locations in Shimla, which consumes lot of time of officers/officials as and when they are required to be present in the Corporate Office as a result precious working time is being wasted in visiting from the various offices. There is no denying the fact that time is money and time saved is money saved.

Moreover, the building which is proposed to be occupied by HPPCL for its Corporate Office in Shimla is quite spacious and has adequate space to house all the employees under one roof, which will not only help in minimizing the time loss but will also help in improving the efficiency.

Yours faithfully,

Director (Personnel)

Copy to:-

1. The Addl. Chief Secretary (Power) to the Govt. of Himachal Pradesh, Shimla-171002 for information please w.r.t. his office letter No. MPP-B (15)-3/2014- Loose, government of HP Department of MPP & Power dated 05-07-2016.
